PACIFIC RAILROAD IN THE CITY OF CASA

DOCKET NO. RR-03639A-07-0520

**STAFF RESPONSE TO
PROCEDURAL ORDER**

On December 13, 2007, Railroad Safety Section Staff ("Staff") of the Arizona Corporation Commission ("Commission") filed a motion for an indefinite extension on the filing of a Staff Report in the above captioned matter. The basis of the motion was difficulty in ascertaining when Staff would be able to secure a consultant to assist in evaluating the complex issues presented by this application. Procedural order set the original filing date for the Staff Report as February 8, 2008. By procedural order dated January 3, 2008, Staff was ordered to file an update indicating when Staff proposes to file a form of Staff Report.

Staff believes that it will be able to file a Staff Report in the above captioned matter no earlier than April 25, 2008 under present circumstances. Staff is in continuing discussion with the potential consultant and believes that discussions will be resolved by January 15, 2008. A further 30 days will be necessary for the consultant or Staff to produce a Staff Report evaluating the present application. However, due to limited Staff resources and the present load of other applications that Staff must evaluate, April 25 is the earliest that Staff believes it can provide a Staff Report in this matter.

RESPECTFULLY submitted this 11th day of January, 2008.
